Proudly supporting the Richmond Football Club

Neville Crowe's Legacy

Neville Crowe played 151-games for Richmond. He captained the Club from 1963–66, is a three-time best-and-fairest winner, All-Australian (1966) and a seven-time Victorian representative.

Crowe was a giant of the Richmond Football Club. He is a Jack Dyer Medalist, Life Member, Hall of Fame member and former president.

“Neville Crowe’s Legacy” has been created, in recognition of his dedication. It will support the Richmond Football Club and provide a way in which wonderful life-long supporters can make an everlasting contribution to the Richmond Football Club.

By leaving a gift in your Will you can create your own Legacy and make a huge difference. You will be joining a special group of proud and generous supporters who are preserving our history and helping us to create an exciting future of success and premierships for generations to come.

Neville personified an unwavering commitment to the Richmond Football Club both on and off the field.

He gave a lifetime of service to the Club and is instantly recognisable to the Tiger faithful. His contribution provided a legacy to inspire supporters of our great Club.

Neville Crowe gave a lifetime of service with an unwavering commitment both on and off the field to see our great club survive and now thrive. It is fitting that the establishment of Neville Crowe's Legacy exists to recognise and thank those who have chosen to extend their lifetime of support of the Richmond Football Club by making a gift in their Will. To those that have decided to join "Neville Crowe's Legacy" a very sincere thank you.

A message from

Valy Crowe

Neville was a very proud member of this incredible Richmond Football Club; he lived and breathed the Tigers and was devoted to its people.

Neville sought to ensure the longevity of the Club's existence and by doing that he introduced the bequest society. It meant so much to him to ensure that his grandchildren, great-grandchildren and the general community had the Richmond Football Club in its midst.

We've called it the "Neville Crowe's Legacy" which is so very special. As soon as you put Neville Crowe before something, that makes it mean Richmond Football Club.

This legacy is a way of keeping this wonderful Club alive forever and ever.

The Club is made up of everybody. It is a place where we all belong as one big warm and beautiful family.

I encourage you to enhance the existence of the Richmond Football Club by becoming part of the Neville Crowe's Legacy.

A Club is nothing without its members and its people. This is how we can be with Richmond forever.

A gift for the Future, enhancing and transforming lives

Neville Crowe's Legacy has been established for those supporters who wish to make a gift in their Will as an extension of a lifetime of support for the Richmond Football Club.

Bequests are growing significantly as a way in which many supporters are creating their own Legacy. For those choosing to make a gift in their Will, it is a commitment for the Future.

It is a decision which if made today does not impact on your bank account tomorrow.

Supporters may choose to bequest a percentage of their estate or the residual, ensuring that no beneficiary is disadvantaged if the estates value changes over time.

The future of Richmond Football Club is not just about on-field success. It is about creating a Club that is financially strong, successful and welcoming for players and future generations of supporters.

Our off-field programs support many communities. We are champions of inclusion, diversity and developing people to achieve their goals.

Your Club is providing a positive environment that is shaping and supporting the lives and futures of so many.

Neville Crowe's Legacy is our way to acknowledge and say thank you to those of our friends who are generous enough to support Richmond Football Club through a bequest in their Will during their lifetime.

“I can still remember Save our Skins and I don’t want that to ever happen again. I want my children and grandchildren to be able to experience the same thrills that I have with this Football Club.”

“I can’t even think what it would be like without Richmond in the paper or without Richmond playing every week.”

“Neville Crowe to me was a great footballer, an ideal man and a perfect person. He saved us. He saved our Club and I will never forget him for that.”

– Joan Chapple,
Neville Crowe’s Legacy Member

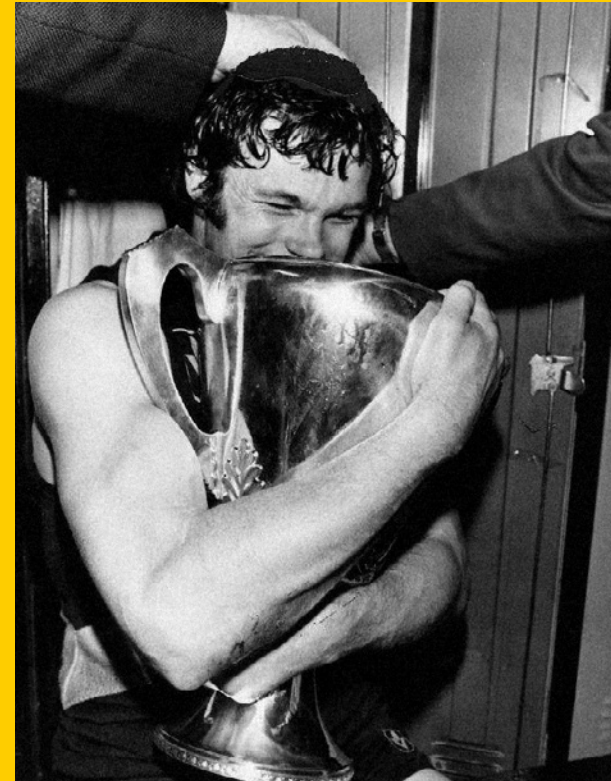

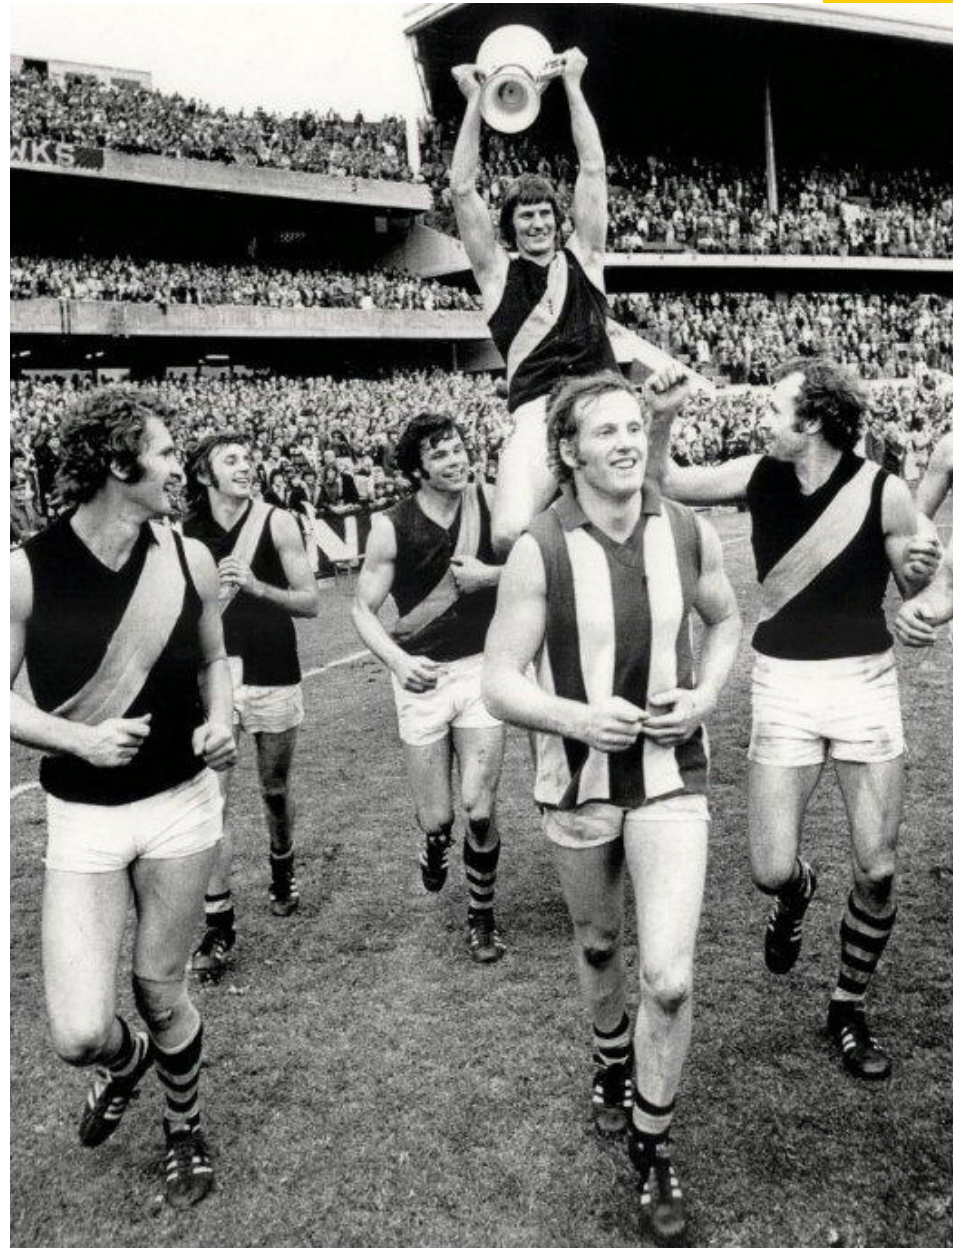

How will my bequest be used?

You can be assured that your bequest will be managed with absolute respect.

Your contribution will be invested into an endowment fund which will be built and sustained to secure the long-term future of the Richmond Football Club. Profits earned from the fund will only be accessed and used to support the Club's development needs.

The fund itself will not be drawn upon, and in doing so the club will build a long-term endowment. This means your gift will become its own legacy and will remain perpetually to the Club.

“Richmond is still here because of Neville Crowe.”

“By joining the Neville Crowe’s Legacy, a part of me can stay here forever.”

“What I want most for this wonderful Club, is for it to stay like it is now forever. That is something my family understands.”

*– Lyn Burton,
Neville Crowe’s Legacy Member*

“To me Neville saved the Club, but even more importantly he personifies what Richmond is all about; Integrity, Fairness, Gentleness, Loyalty and Devotion.

“I’m not wealthy but I’ve had a lot of joy out of Richmond. Joining Neville Crowe’s legacy is a little way to show my affection and emotion. I’m helping to contribute to the Club’s future.”

“I admire the Richmond Football Club and its loyalty to its members. If you’re not strong off the field, you can’t be strong on the field.”

Neville Crowe’s Legacy Member***

Your Legacy... show you care

It is a fact that far too many Australians do not have a valid Will.

Making a Will gives you peace of mind and is a way to show you care about family members and friends. It can give you peace of mind, knowing that your special wishes have been made clear and that you’ve made provision for them.

Once you have taken care of your family, friends and loved ones, your bequest to the Richmond Football Club can take several forms;

- A percentage of the value of your Estate
- A specified amount of money or items of property
- The residue of the Estate after provision for family and other beneficiaries

Richmond Football Club is not qualified or authorised to provide legal advice. To ensure that your wishes are clearly and legally stated, you may wish to consider the following options;

- Consulting a qualified Solicitor or Trustee Company
- Updating your Will to insert a clause which provides for the Richmond Football Club; or
- Completing a simple codicil document which is then attached to your Will

While there are several types of bequest clauses, the following is the most commonly used for a general bequest.

“I give to the Richmond Football Club (ABN: 25 679 793 340) _____ % of the whole of the residue of my estate, OR the whole of the residue of my estate, for the benefit of OR the sum of \$_____ to be applied for the benefit of or to the Richmond Football Club.

The receipt of an authorised officer of the Richmond Football Club will be sufficient discharge to my Executor/Trustee.”

“Going to the football with my daughter and nieces has been so much fun. I felt by becoming part of the Club’s bequest that I’d be doing something for the memory of (husband) John and myself.”

“John absolutely adored the Tigers.”
